

How much does a 100kW IP66 battery cabinet cost for an Australian island

Overview

Prices typically start from around A\$68,999 for a 100kWh battery system, depending on brand and configuration, and installation usually adds A\$1,000–3,000, depending on your site setup. If you're also installing a solar system (like a 100kW array), that could cost an extra.
